Subject: Location for September 18 & 19 – TWGS & LSAC

All,

For a variety of reasons, we have a new location to test out for the September 18 & 19 – Midcoast TWGS & LSAC meetings:

Siuslaw Valley Fire and Rescue

2625 U.S. 101, Florence, OR

(541) 997-3212

Contact: Annette

The facility holds up to 100 and is designed for training. Several local stakeholders recommended the facility to me.

- Has tables and chairs to accommodate our typical setup
- Has projection screen
- Has power outlets along wall
- No Charge to use the room!

Now, the rules:

- No food or open top beverages (i.e., cups with lids, you know- like the library)
- Closes from 12:00-1:00 for lunch. We can leave anytime in-between but can't get back in until after 1:00.

- Normally daytime fire team starts at 7:30, so we have access shortly after that time.
- No access to the break room to make coffee or tea water
- No available phone line (i.e., Chief doesn't want a line tied up all day)

I'll swing by and check it out before the meeting.

Cheers,

David
